Deshazier (2005), who also goes by "DJ" is an outgoing and friendly teen. He is open to and enjoys a diversity of activities. His absolute favorite is music; listening to his favorite hip-hop station POWER 106.

Wouldn't you guess? Krystal Bee of the Cruz Show aired on POWER is one of his top favorites and also a "Team Wednesday's Child" partner. As the guest of Krystal Bee, DJ got a behind the scenes look at jobs in radio broadcast. From the "Green" room where VIP guests hang before their on-air slot, to the sound room and studio itself, DJ took in the sights, sounds and the information about broadcast radio to heart.

As we toured with DJ, we also got to dialogue with him about his other interests such as playing basketball and building with technology. Of the most significant note is that he told us his wish for a loving, accepting and safe permanent family to call home.

DJ loves one on one attention and thrives in environments where he can engage in conversations and contemplations in small intimate settings. DJ's a thoughtful soul determined to advocate for an adoptive home by "broadcasting" through the airways the uniqueness that is Deshazier and hoping for that listener family tuning in to hear his "voice."
