

A mentoring program for single teen mothers

Dear Prospective Mentor,

On Saturday, August 25, 2007, *Athletes and Entertainers for Kids* and *9-1-1 for Kids* will present the award winning **Kathy Ireland Mentor Program for Single Teen Mothers**. We are celebrating our 15th year of matching Southern California teen mothers with a professional businesswoman to serve a mentor and role model, and we would like to invite you to become a mentor for this year's program.

You can make a huge difference. Whether it is your time, resources, or support, you can help us to change the lives of these young teen mothers and address this ever-present dilemma in our communities. Teen pregnancy is not only a social problem, but it is also an economic issue that affects us all.

At the beginning of the event, you will be matched with a young teen mother and this will be the kick-off to a yearlong mentor relationship. As a mentor you will serve as a role model and provide positive encouragement to your young teen mom during this confusing time in her life. This program is devoted to empowering these teen mothers by giving them the important tools and information to make better choices. During the event, you will have time to get to know your mentee and attend workshops with her on important issues such as: pre and post natal healthcare, workforce readiness, domestic violence prevention, and time management. The impact of this program has been amazing; many of our teen mothers have finished high school and have entered or completed trade school or college. More compelling is seeing their successful transition into responsible parenthood.

For more information, please see the attached fact sheet for this year's event. If you are interested in being a mentor, please fill out the attached application. If you have any questions, please contact Nicole Griffith, our event manager, at (714) 894-5450.

We look forward to your participation.

Best Wishes,

Kathy Ireland
