

We need you!

Thank you in advance for taking the opportunity to provide our children with safe and permanent homes.

Now that you have completed the Orientation, the next step is to attend a FREE training. The PS-MAPP Training consists of 33 hours during six (6) consecutive weeks.

The calendar and contact information for Colleges conducting PS-MAPP classes through November 2008 is on the reverse side. No classes will start in December or January. Please contact the most convenient one for you to enroll. Please note that some locations are at community based agencies. This information will be provided to you once you enroll. There must be a minimum of 20 and maximum of 25 participants to have a class.

Enrollment does not guarantee admittance. Please bring your original orientation certificate as verification of attendance. Again, thank you for taking the time in making a difference in a child's life. If you have any other questions, please contact Gomanna Choi, PS-MAPP Program Coordinator, at 213.427.6910 x209 or 1.866.266.2655 x209.
