

July 25 to August 2, 2015

Participate and make a difference in the experience of an athlete by being their biggest cheerleader!"

Sponsor an Athlete!

For every \$2,500 we raise as a group, we will be matched with one Special Olympics World Games athlete. The \$2,500 covers our athlete's expenses including food, medical care, entertainment, and housing at the USC and UCLA Athletic Villages. Use the following link to support an athlete:

Be a Fan in the Stands

Los Angeles County has been given the honor of hosting the 2015 Special Olympic World Games and DCFS has been extended the opportunity to participate as volunteers in the Fans in the Stands Campaign.

Be a Volunteer!

The World Games is seeking volunteers that would like to welcome more than 7,000 athletes from 177 countries. This will be the biggest event in Los Angeles since the 1984 Olympic Games. As a Fans in the Stands volunteer, you'll cheer on the Special Olympics athletes during competition. To add fun, you can recruit co-worker's to join together as a team of at least 10!

Sign Up!

County employees can volunteer for the World Games during their scheduled work time with a manager's approval. Sign-Up by clicking the Special Olympics World Games Volunteer Application Link at www.mylacounty.gov .
